SPECIAL REQUIREMENTS FOR RENTAL OF STALLS AT THE COLUMBIA STATE FARMERS MARKET

1. Produce must be grown by the registered farmer and grown predominately in the State of South Carolina.
2. Vehicles occupying stall(s) must display a decal issued by the Columbia State Farmers Market. (Note: any vehicle not displaying a decal will be charged at the rate of \$20.00 per day.)
3. Rules and Regulations of the Farmers Market are to be followed.
4. Stalls must be kept clean. A cleanup fee of \$50.00 will be charged if Farmers Market employees must clean a stall.
5. Waste must be placed in proper waste receptacles, or removed from the Farmers Market.
6. If electricity is needed, daily or monthly charges will be applied according to the number and type of units being powered.
7. Stalls cannot be assigned to another individual. The rental agreement allows use of stall by the farmer, this immediate family, and his employees. Names of such individuals must be supplied to the Farmers Market.
8. Seasonal rental of a stall entitles the farmer to the use of the assigned stall. Any other, or additional stall used by the farmer will be charged at the rate of \$10.00 per day.
9. If a stall is not in use by the Farmer renting the stall, a registered South Carolina Farmer may occupy the stall on a daily basis. The daily user must have their product on a truck or trailer; must be present with the product; and, must vacate the stall upon arrival of the Farmer renting the stall.
10. When there is a football game played at Williams-Brice Stadium, stalls in Sheds 4 and 14 must be vacated seven (7) hours prior to the announced kick-off of the game. Farmers requiring space during the time of the game will be directed to stalls that do not conflict with game-day parking.

I hereby agree to the above noted requirements of the Columbia State Farmers Market.
